Middle Atlantic Region

New York University

Delaware, New Jersey, New York, Pennsylvania

The Regional Medical Library supports collaboration among libraries and information centers that serve health information needs in Delaware, New Jersey, New York, and Pennsylvania.

Academic libraries, school libraries, and public libraries can help you find additional resources through partnerships with the hospital and health science libraries in this region. www.senylrc.org/misp

Requests for information found in medical or specialized healthcare journals can be filled through [the New York State Medical Information Services Program](#) administered by Southeastern NY Library Resources Council.
