Coordinated Collection Development (CCDA) Plan 2026-2031

Southeastern will convene an annual planning meeting with academic libraries to review the CCDA plan. Meeting outcomes will include determining subject selections per institution, reviewing their resource sharing responsibilities, and providing guidance on completing the program application. Southeastern will distribute the following subject selection list to CCDA participants annually and will keep this information up-to-date and readily available on Southeastern's website, linked here: www.senylrc.org/services/ccda/.
