A brand new www.senylrc.org!

Maybe you noticed this if you visited us on Friday - yes, that is our brand new website design! We gave ourselves a Wordpress makeover without changing too much of the content or layout you're used to seeing. We hope you have some time to look around. Feel free to drop us a line if you see a broken link or something that might have gotten lost in the virtual move. You can email any comments to webmaster@senylrc.org.

New at New York Heritage

Hudson Area Library is home to the **Arthur Koweek Urban Renewal Collection**. Presented here are selections from a scrapbook documenting the City of Hudson's Society to Promote Our Unique Town (SPOUT) initiative throughout the 1970s-80s. SPOUT was a civic organization focused on economic revitalization, especially to the hard-hit businesses on Warren Street.

Employment Opportunities

Local library jobs are listed on our employment page here:
https://www.senylrc.org/jobs
We receive updates all the time and post them as soon as possible. You can submit your listing by sending an email to jobposting@senylrc.org.
